VE-Testing success stories from the 2025 HAMFEST

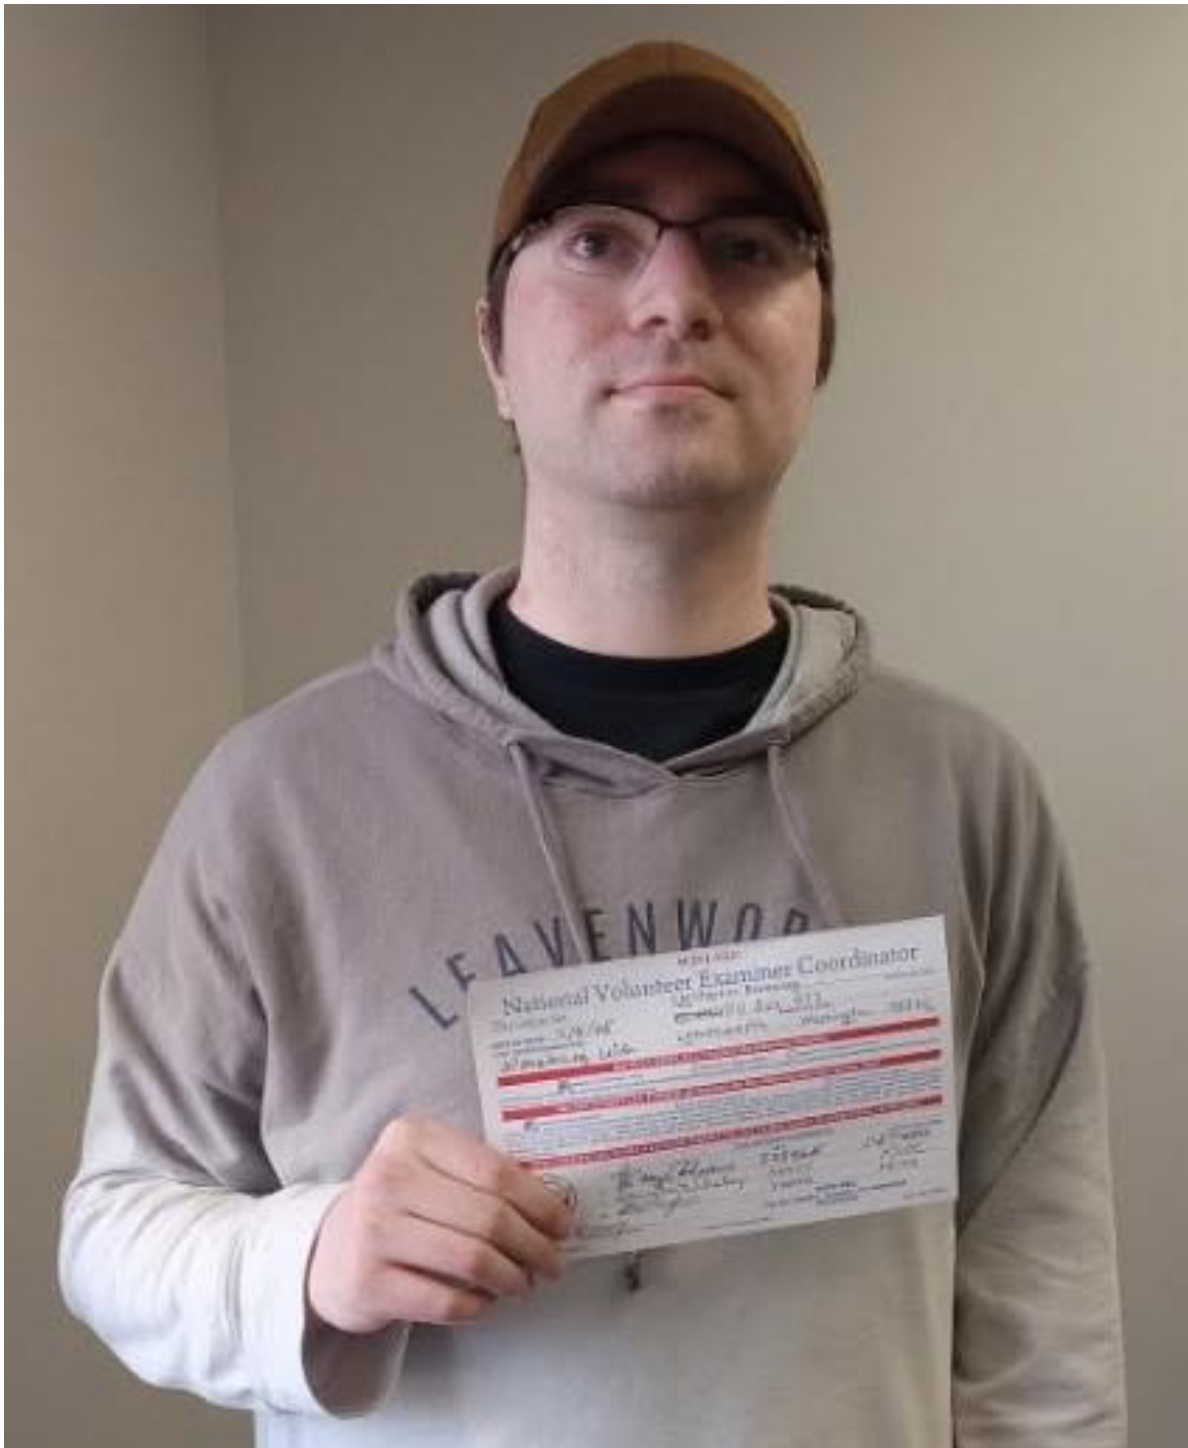

VE ham license testing was conducted by the club at this year's ACARC annual Hamfest event held in Dryden on the weekend of June 7-8, 2025. The testing resulted in three individuals who successfully met the requirements for either a new Amateur Radio FCC license or an upgrade to a higher license level:

Greg Heuchert - Technician Class

Susan Daniel - Technician Class

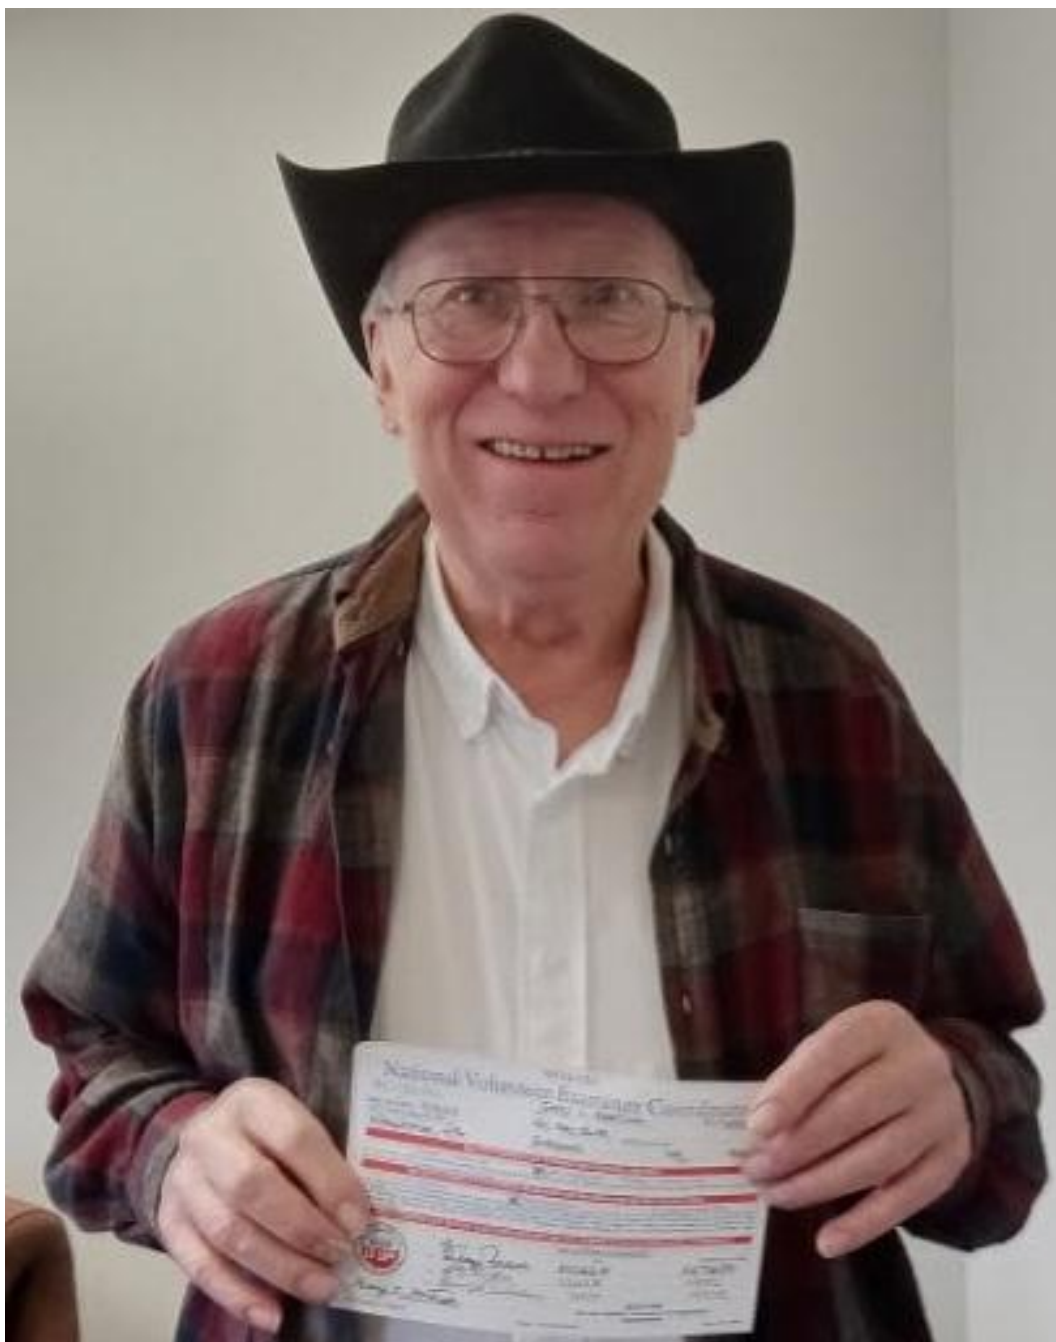

Michael Knopf - Technician Class & General Class

.....

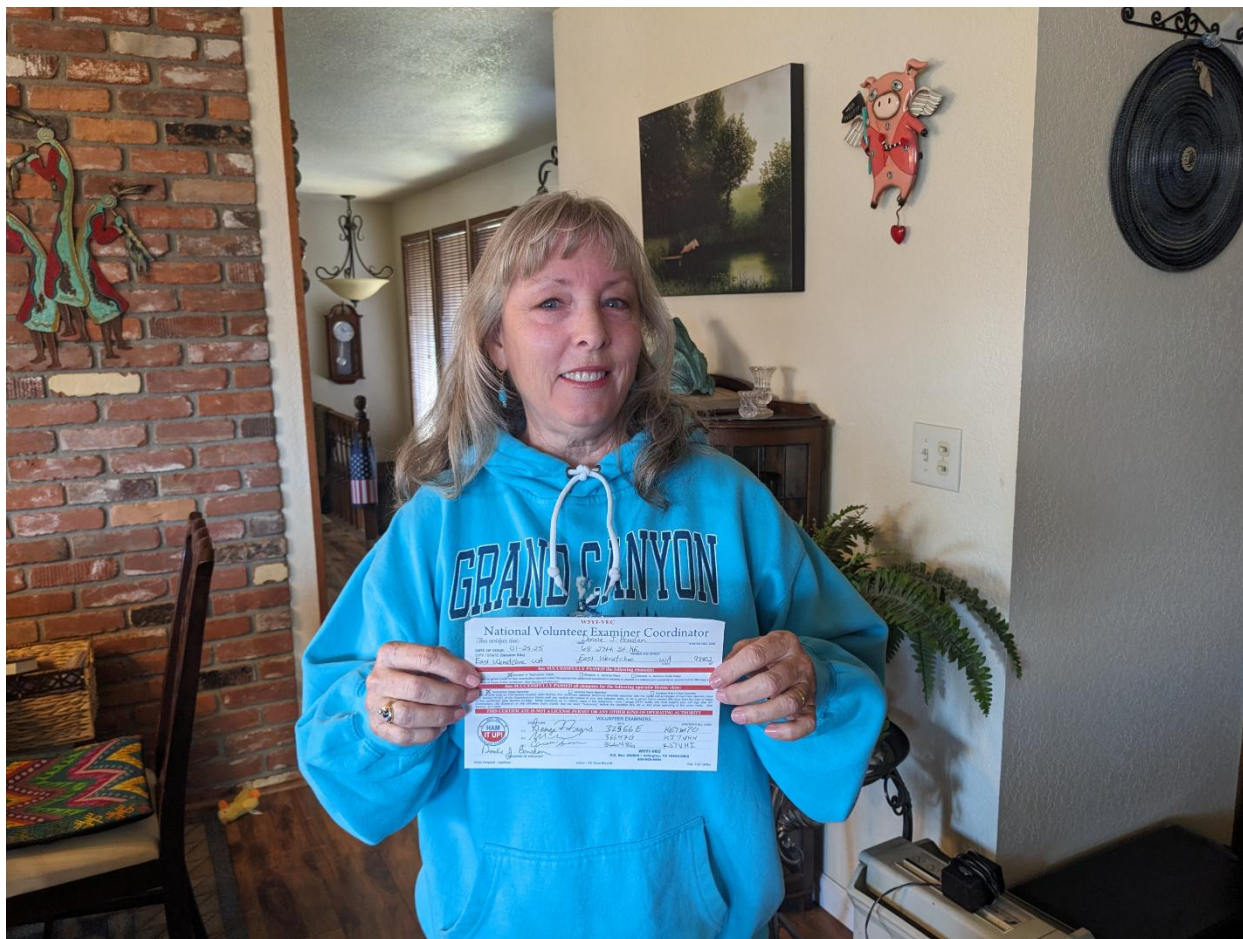

Christopher Browning - Technician Class
Leavenworth, WA - 04/05/2025

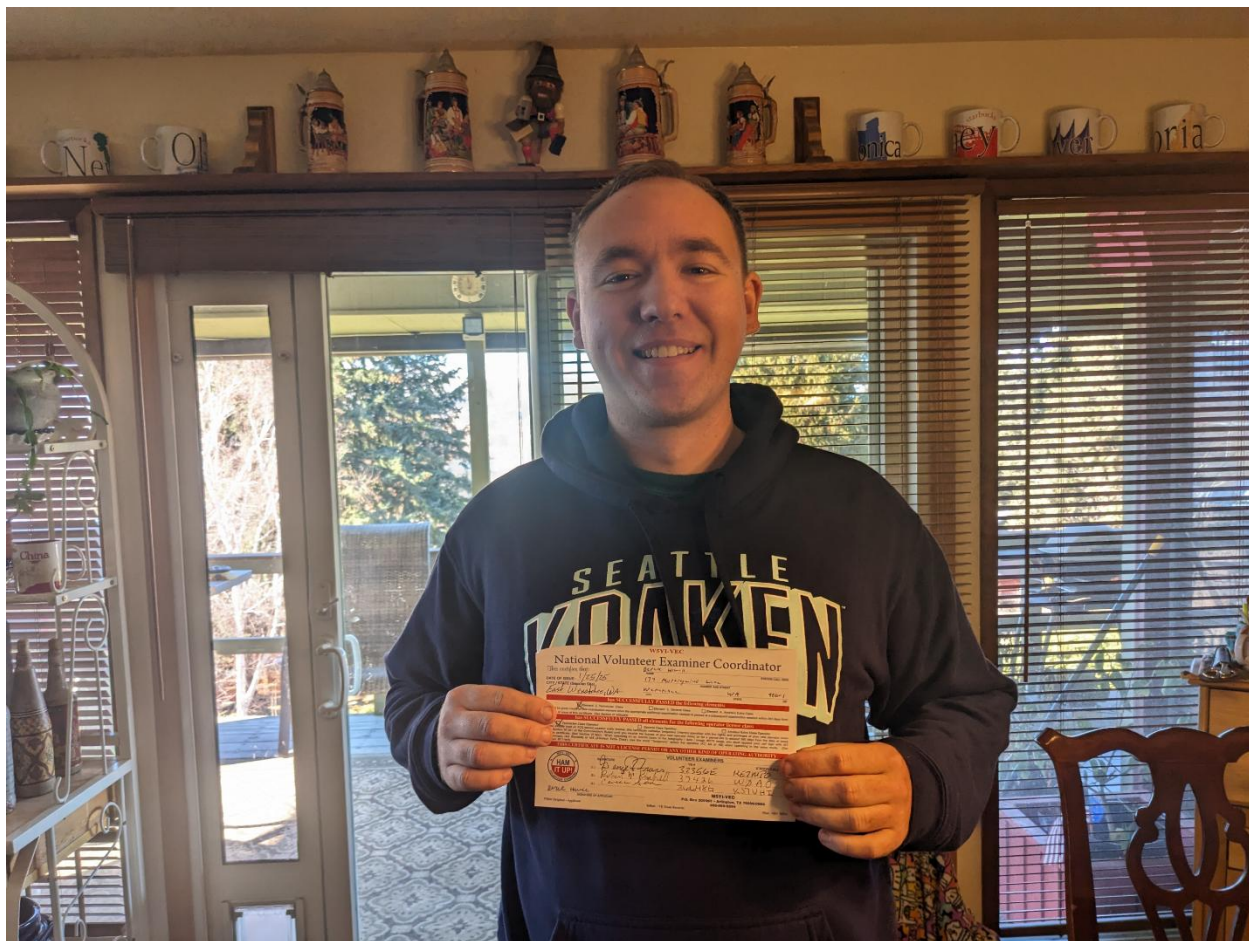

.....

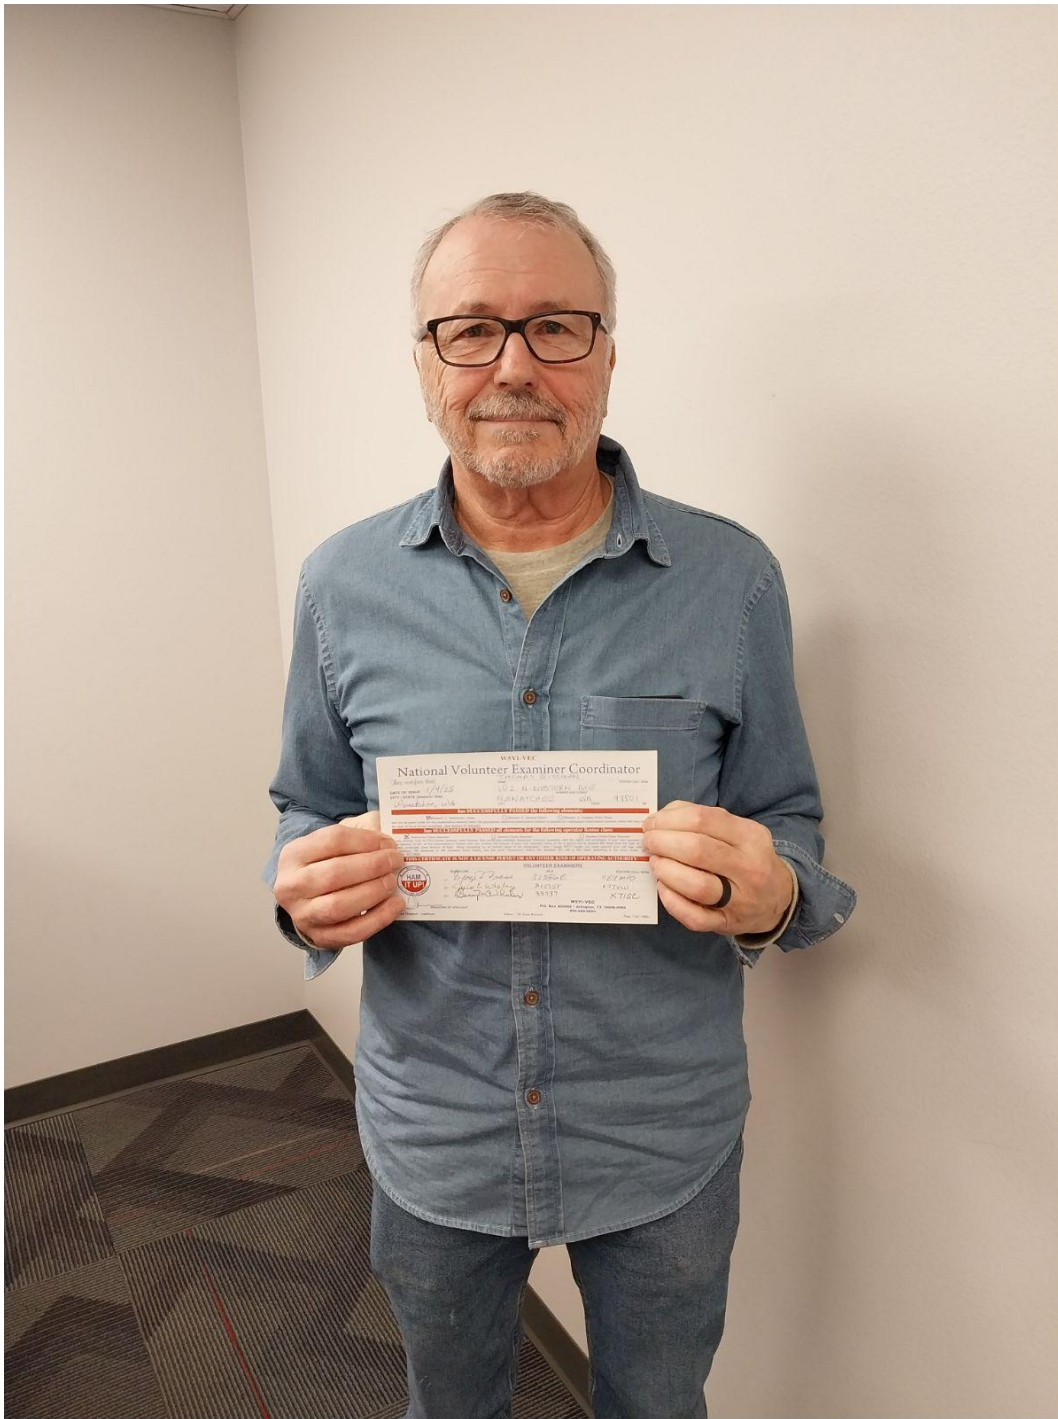

Gary Harting - General Class [Upgrade]
Call: KI7LNV - Burbank, WA - 04/05/2025
